

## Weddings and Conferences

Here at The Honest Lawyer Country Pub we offer a professional service, expertise in planning and preparation when celebrating one of life's most important moments.

It's the little details that are important to us. Our dedicated conference and events coordinator is devoted to ensuring your wedding experience at The Honest Lawyer is truly memorable from the time you start to plan your wedding with us.

We will ensure your day runs smoothly, allowing you to relax and enjoy the occasion with your guests and leaving you to experience a unique blend of English style and local hospitality.

We are ideally situated to offer a complete wedding package. Our beautiful courtyard is private and romantic and can serve as a place for the wedding ceremony itself, as could one of the many other quiet places in and around our grounds. There are many opportunities for stunning wedding photographs, such as in our quaint English Gardens or with the fantastic backdrop of the Waimea Estuary and the mountain ranges in the distance. Guests can mingle on the front lawn or wander down the boardwalk with chilled champagne and delicious canapes during the day.
