

Recent Weddings

We love weddings here at The Honest Lawyer.

"We chose The Honest Lawyer as our wedding venue on the basis of a lovely summer's lunch we had there 18 months earlier. The team at The Honest Lawyer were interested and helpful in our preparations which was really appreciated as we are not Nelson based. Their execution over the wedding weekend was great - the accommodation worked well and we had a number of specific comments on the quality and value of the food in particular"
